NOTE: Results presented in this report are based on the 2001 "Survey About Your Child's Health Care" CAHPS survey sponsored by the Washington State Medical Assistance Administration. To guard against inappropriate interpretation, scores are not displayed when there are fewer than 85 responses for a single survey item. The bar graphs show unadjusted proportions for each response category. Stars are not presented because there is no comparison group. Due to rounding, some bars may not add up to 100%.
